There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years dootors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional treatment. Hall's Catarrh Care, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market.
